Colorado Family Medicaid

What is Colorado Family Medicaid?

Family Medicaid is a public health insurance for Colorado children age 18 and under, pregnant women and parents with dependent children. The program is funded jointly by a federal-state partnership and is administered by the Department of Health Care Policy and Financing.

Who is eligible?

- Financially qualified children age 18 and under, pregnant women and parents with dependent children
- Parents and children ages 6-18 whose family income is at or below 100% of the Federal Poverty Level
- Children under the age of 6 and pregnant women whose family income is at or below 133% of the Federal Poverty Level
- For a chart showing income levels visit colorado.gov/hcpf.

What does Family Medicaid cost?

- Children and pregnant women do not have to pay any co-pays. Other adults may have a small co-pay.

What documentation is needed?

- U.S. citizens need to provide U.S. citizenship and identity information
- Non-citizens need to provide USCIS (INS) documentation for full benefits
- Non-citizens seeking Emergency Medical Services only do not need to provide documentation

How does a family apply?

- An application must be completed and sent to the local county social services department
- Applications are available in English and Spanish
- Applications can be downloaded from www.colorado.gov/hcpf or www.CHPplus.org
- If a family has questions about the application, they can call 303-866-3513 in the Denver metro area or in the Denver metro area or toll free 1-800-221-3943 outside of the Denver metro area. Spanish-speaking customer service representatives are available.
